GUIDELINES FOR CONTINUOUS REGISTRATION OF VOTERS

PREAMBLE:

WHEREAS the Constitution of the Federal Republic of Nigeria 1999 (as amended) empowers the Independent National Electoral Commission (herein referred to as the Commission) to conduct the registrations of persons qualified to vote and to prepare, maintain and revise the register of voters;

AND WHEREAS the Electoral Act 2010 (as amended) empowers the Commission to issue regulations, guidelines or manuals for the purpose of the conduct of the registration of voters and revision of the register of voters.

NOW THEREFORE the Commission hereby issues these guidelines for the Continuous Registration of Voters and the updating and revision of the National Register of Voters.

1. The Commission shall, in each calendar year, issue a public notice or announcement stating:

- (1) The dates when continuous registration of voters shall commence; and
- (2) Modalities for the registration.

- 2.

- (1) The Continuous registration of voters shall be carried out at such locations in the Registration Area Centres (Wards) within the Federal Republic of Nigeria as may be designated by the Commission.
- (2) The list of such centres for each Registration Exercise shall be announced in the localities at least 7 days before the commencement of registration.
- (3) The Commission may use as registration centres such public places as schools, halls, parks, open spaces and booths approved by the Commission provided that

 - j) Name and code number of the registration unit;
 - k) The registrant's ten fingerprints; and
 - l) National identity card number (where available).
- (2) The following shall be the procedure for Continuous Registration of Voters. This procedure shall apply except the Commission alters it. Any alteration of the procedure shall be issued in the form of new guidelines for continuous registration:
- a) There will be a team of 2 Registration Officers (ROs) to manage 3 Registration Areas.
 - b) The team will carry out registration exercise in the three Registration Areas every month, one Registration Area per week.
 - c) On the fourth week of the month, the team will report to State headquarters for processing and backend activities.
 - d) Each team will have one laptop to host the voter register of the RA/Ward in a searchable PDF format and one DDC Machine for data capture.
 - e) The RA/Ward voter register in searchable PDF format will be used to verify if the intending registrant has not registered before. Members of the public can also verify their registration status from the second computer at any time.
 - f) A disclaimer form will be issued to every intending registrant to complete in order to confirm that he/she has not registered before.
 - g) The Registration Officers will backup registration data on a daily and weekly basis, on an external hard drive to be provided.
 - h) The ROs will take the DDC Machine and backed up data to the LGA for data aggregation.
 - i) The ROs will receive transfer requests and report back to the EO for necessary action.
 - j) ROs will distribute Permanent Voter's Cards at the Registration Area, when they are ready.
 - k) The EO will supervise the Registration Officers, Registration Area and all the equipment within the Registration Area including fuelling of the generator.
 - l) VR Department will send supervisory staff to State once a month to ensure that data collection, aggregation and consolidation processes are done correctly. EOs will

produce an account of statistics of registrants and materials utilisation for the visiting supervisory staff.

- m) The EO will make sure that the LGA aggregated data is backed up and taken to the State for aggregation and consolidation.
 - n) The state register in PDF shall be kept separate from the new (provisional) registration data pending the completion of claims and objections and final integration into the state database. However, both registers in PDF shall be kept in the second computer for members of the public to check their registration status.
 - o) Each LGA should have adequate number of DDC machines for redundancy.
 - p) The recently recruited ROs will conduct the CVR. Where they are inadequate, RECs shall approve the recruitment of the balance from among INEC staff in the state.
6. (1) No person shall register in more than one registration centre or register more than once in the same registration centre.
(2) Any person who registers in more than one registration centre or registers more than once in the same registration centre commits an offence.
7. (1) The Preliminary Register of Voters shall be displayed at each registration centre. The ROs will print the list of registered voters for each week of registration and display at the Registration Centre. The Register shall be clearly marked Preliminary Register of Voters.
(2) The Preliminary Register of Voters shall also be available electronically on a dedicated laptop for any member of the public to verify his/her registration status.
- (3) The display of Preliminary Register of Voters shall be carried out in a manner, which affords easy and unimpeded inspection of the Register, by members of the public.
 - (4) Members of the public shall be allowed to inspect the Register free of charge.
 - (5) Any person caught tampering with the displayed Preliminary Register of Voters shall be arrested and prosecuted.
 - (6) At the end of the display period, the Commission shall
